

# The Plandemic

What COVID-19 is really about and what the mainstream media are NOT telling you

## STEP 1 CREATE A FAKE PROBLEM

- **Take an illness with a 99%+ recovery rate\*** and common flu-like symptoms (and which **are mostly mild / non-existent\***). An illness that wouldn't be noticed by the public if it wasn't hyped and sensationalised 24-7 by the media.
- **Use a totally unreliable PCR test** that cannot distinguish COVID from a common cold, regular flu, hepatitis C, measles, West Nile Virus, Ebola.\*
- **Exaggerate fake virus "case numbers"** by reclassifying normal flu, cold and respiratory infections as "COVID".\*
- **Exaggerate deaths** by reclassifying many normal deaths as "COVID-related" and ignore the real underlying causes.\*
- **Keep low cost and effective treatments** (like HCQ+zinc\*) hidden from the public and policy makers.
- **Frighten politicians and policy makers** with dodgy science.\*

\* See SWPRS.org and dissidentsignposts.org for scientific references and sources

## STEP 2 PROVOKE A TERRIFIED REACTION

- **Terrorise the public 24-7** using a compliant & sensationalist mainstream media.
- **Force anti-social distancing** and make fear of other humans the "new normal".
- **Ignore boosting natural health** or building up herd immunity like Sweden.
- **Ignore all normal illnesses** and diseases with far higher rates of mortality.
- **Ignore the fact that most "cases" actually have no or very mild symptoms.**
- **Scare fit and healthy people** by referring to them as 'asymptomatic'.
- **Cancel all cancer screenings** and other preventative medicine.
- **Quarantine healthy people** and shut down schools unnecessarily.
- **Abandon the elderly**, socially ostracise them in care homes, bury them alone.
- **Push "COVID testing"** of people with no symptoms to drive up 'case' numbers.
- **Ignore the massive rise in COVID depression**, suicides and related illnesses.
- **Enforce unnecessary lockdowns** that destroy local and national economies.
- **Close churches, gyms, beaches and parks** that keep people healthy.
- **Close small local businesses** but keep large multinationals open.
- **Create massive unemployment** and business failures.
- **Promote cashless spending**, online shopping and weaken small businesses.
- **"Flatten the curve"** but destroy the economy.
- **Suppress dissent** by shutting down places where people chat and share opinions.
- **Make face nappies compulsory** even though they are ineffective and unhealthy.
- **Force people to inhale their own waste air** & increase risk of bacterial infections.
- **Reduce essential oxygen intake**, blur thinking and undermine communications.
- **"Trust the experts"** really means don't ask questions and follow the herd.
- **Censor all dissenting medical experts** from mainstream and social media.
- **Ban and delete COVID sceptical doctors** from YouTube, Facebook & Twitter.
- **Bully & bribe doctors** into silence & label sceptics 'conspiracy theorists'.
- **Keep the media stoking the fear** by reporting 'cases', 'clusters' & 'outbreaks'.
- **Wear people down** with constant COVID fear stories.
- **DELIBERATELY MAKE LIFE SO MISERABLE** that most people will agree to **surrender their freedoms** by being **permanently vaccinated, genetically modified, tracked & controlled.**

## Step 3 PROVIDE A 'SOLUTION'

1. **Impose unnecessary lockdowns** to destroy local businesses but make global billionaires even richer and massively increase State debt.
2. **Impose contact tracking apps** and tracers to erode privacy.
3. **Impose COVID "health passports"** to control personal freedom to travel, work and live freely.
4. **Impose compulsory experimental** vaccinations on everyone, every year to allow the creation of **genetically modified humans**.
5. **Grant the vaccine industry 100% legal immunity** against all harmful side-effects (and **guarantee them massive profits**).
6. **Impose a cashless economy** that will allow constant financial surveillance and control of everyone's income and spending.
7. **Connect everyone to the 'cloud'** using smartdust in vaccines
8. **Make the loss of human freedom & privacy "the new normal"**.

## The End Goal CONTROL & DEPOPULATION

The 1% elite are using COVID to trigger a "Great Reset" to get you to...

- **surrender control** over your **body, health & lifespan**
- **surrender control** over your **privacy & freedom of movement**
- **surrender control** over your **spending & finances**
- **surrender control** over your **freedom of thought & speech**

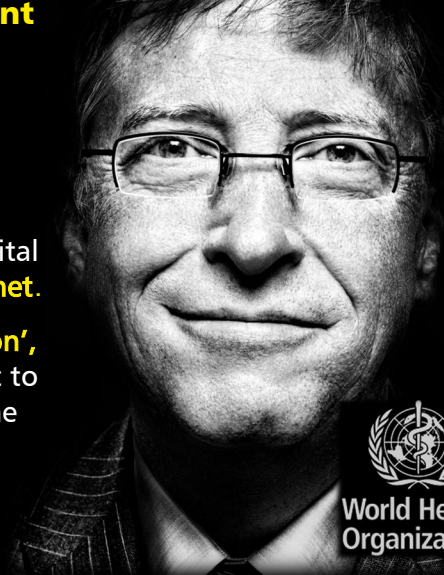

The WHO (funded by Bill Gates and Big Pharma) wants compulsory global vaccinations. This will allow the elite to have everyone **vaccinated, genetically modified monitored and controlled** in a world run by Artificial Intelligence and robotics, dominated by global corporations, constant digital surveillance and where **everyone and everything is connected to the Internet**.

In this '**New World Order**', also referred to as the '**4th Industrial Revolution**', they see **billions of people** becoming '**surplus to requirements**'. They want to reduce the **global population** down to just **500 million**. COVID provides the **perfect excuse** to try to achieve this using **sterilizing** vaccines.

Depopulation will also occur due to a rise in infertility and chronic health conditions caused by huge increases in **5G microwave radiation** as they try to connect everyone and everything to the Internet. Many of these illnesses will be **blamed on COVID**. Big Pharma, Big Tech, the controlled media, politicians and the medical establishment are simply the opportunists, profiteers and careerists who are, unwittingly, being manipulated and incentivised to execute the plan.

**THE 'PANDEMIC' IS NOT ABOUT CONTROLLING A VIRUS. IT IS A SMOKESCREEN TO CONTROL HUMANITY.**

# THINK...

**BILL GATES & THE W.H.O. BELIEVE THE WORLD IS OVERPOPULATED. BUT THEY NOW WANT TO "SAVE" YOUR LIFE WITH A VACCINE?**
