

The Plandemic

What COVID-19 is really about
and what the mainstream
media are NOT telling you

STEP 1 CREATE A FAKE PROBLEM

- **Take an illness with a 99%+ recovery rate*** and common flu-like symptoms (and which **are mostly mild / non-existent***). In other words, so "dangerous" that it wouldn't be noticed if it wasn't hyped and sensationalised 24-7 by the mainstream media.
- **Use a totally unreliable PCR test** that cannot distinguish COVID from a common cold, regular flu, hepatitis C, measles, West Nile Virus, Ebola or 4G / 5G wireless radiation poisoning.*
- **Exaggerate fake virus "case numbers"** by reclassifying normal flu, cold and respiratory infections as "COVID-related".*
- **Exaggerate deaths** by reclassifying many normal deaths as "COVID-related" and ignore the real underlying causes.*
- **Keep low cost and effective treatments** (like HCQ+zinc*) hidden from the public and policy makers.
- **Frighten politicians and policy makers** with dodgy science.*

* See DissidentSignPosts.org for full scientific references and sources

STEP 2 PROVOKE A TERRIFIED REACTION

- **Terrorise the public 24-7** using a compliant & sensationalist mainstream media.
- **Enforce unnecessary lockdowns** that destroy local and national economies.
- **Close churches, gyms, beaches and parks** that keep people healthy.
- **Quarantine healthy people** and shut down schools unnecessarily.
- **Close small local businesses** but keep large multinationals open.
- **Promote cashless spending**, online shopping and weaken small businesses.
- **"Flatten the curve"** but destroy the economy.
- **Abandon the elderly**, socially ostracise them in care homes, bury them alone.
- **Force anti-social distancing** and make fear of other humans the "new normal".
- **Ignore boosting natural health** or building up herd immunity like Sweden.
- **Ignore all normal illnesses** and diseases with far higher rates of mortality.
- **Ignore the massive rise in COVID depression**, suicides and related illnesses.
- **Cancel all cancer screenings** and other preventative medicine.
- **"Trust the experts"** means don't ask questions and follow the herd.
- **Bully & bribe doctors** into silence & label sceptics 'conspiracy theorists'.
- **Censor all dissenting medical experts** from mainstream and social media.
- **Ban and delete COVID sceptical doctors** from Facebook, YouTube & Twitter.
- **Push "COVID testing"** of people with no symptoms to drive up 'case' numbers.
- **Scare fit and healthy people** by referring to them as 'asymptomatic'.
- **Make face nappies compulsory** even though they are ineffective and unhealthy.
- **Force people to inhale their own waste air** & increase risk of bacterial infections.
- **Reduce essential oxygen intake**, blur thinking and undermine communications.
- **Make masks compulsory** until compulsory vaccination comes along.
- **Force children to wear masks** and damage their mental and physical health.
- **Suppress dissent** by shutting down pubs where people chat and share opinions.
- **Keep the media stoking the fear** by reporting 'cases', 'clusters' & 'outbreaks'.
- **Ignore the fact that most "cases" actually have no or very mild symptoms.**
- **Wear people down** with constant COVID fear stories.
- **MAKE LIFE SO DIFFICULT & MISERABLE** that people will agree to **surrender their freedoms** and be **vaccinated, nano-chipped, tracked & controlled.**

Step 3 PROVIDE A 'SOLUTION'

1. **Impose unnecessary lockdowns** to destroy local businesses but make global billionaires even richer and massively increase State debt.
2. **Impose contact tracking apps** and tracers to erode privacy.
3. **Impose COVID "health passports"** to control personal freedom of travel and access to buildings and services.
4. **Impose compulsory DNA-altering** vaccinations for everyone, every year to allow the creation of **genetically modified humans**.
5. **Grant the vaccine industry 100% legal immunity** against all harmful side-effects. This will **guarantee them massive profits**.
6. **Impose a cashless economy** that will allow constant financial surveillance and control of everyone's income and spending.
7. **Impose human microchipping** "for public safety & convenience".
8. **Make the loss of human freedoms & privacy** "the new normal".

The End Goal CONTROL & DEPOPULATION

The 1% elite are using COVID to trigger a "Great Reset" to get you to...

- **surrender control** over your **body, health & lifespan**
- **surrender control** over your **privacy & freedom of movement**
- **surrender control** over your **spending & finances**
- **surrender control** over your **freedom of thought & speech**

The WHO (funded by Bill Gates and Big Pharma) wants compulsory global vaccinations. This will allow the elite to have everyone **vaccinated, chipped, monitored and controlled** in a world run by Artificial Intelligence and robotics, dominated by global corporations, constant digital surveillance and where **everyone and everything is connected to the Internet**.

In this '**New World Order**', also referred to as the '**4th Industrial Revolution**', they see **billions of people** becoming '**surplus to requirements**'. They want to reduce the **global population** down to just **500 million**. COVID provides the **perfect excuse** to try to achieve this using **sterilizing** vaccines.

Depopulation will also occur due to a rise in infertility and chronic health conditions caused by huge increases in **5G microwave radiation** as they try to connect everyone and everything to the Internet. Many of these illnesses will be **blamed on COVID**. Big Pharma, Big Tech, mainstream media, politicians and the medical establishment are simply the opportunists, profiteers and careerists who are, unwittingly, being manipulated and incentivised to execute the globalists' plan.

THE PANDEMIC IS NOT ABOUT CONTROLLING A VIRUS.
IT IS REALLY ABOUT CONTROLLING HUMANITY.

THINK...

**BILL GATES & THE W.H.O.,
THE PEOPLE WHO BELIEVE THE
WORLD IS OVERPOPULATED,
NOW WANT TO "SAVE" YOUR LIFE
WITH A VACCINE**
